WORK EXPERIENCE

Arbor Lake Capital

Investment Banking Summer Analyst

- Screened 57 strategic and financial buyers for an air-spring company on revenue >\$500M and EBITDA >\$50M; shortlisted 12
- Developed 3 target-company profiles benchmarking business models, revenue mix, and financials, and assessed customer-concentration risk across 3 major OEM relationships
- Built the courtroom presentation deck for a contractual advisory-fee dispute arising from a \$700M de-SPAC, synthesizing transaction and engagement documents into exhibits on the fee provisions at issue

Ann Arbor, MI

May 2026 – Present

HoloGlitterPacks

Founder

- Grew from \$50 to \$65K net profit across 15K orders, owning pricing, cost models, and the full P&L
- Lifted conversion from 1.3% to 5% and earned 2.5K five-star reviews by using demand data to refine product mix and listings

Ann Arbor, MI

Aug 2020 – Jan 2026

Jerome Fisher Management & Technology Summer Institute (M&TSI)

Application Reader

- Rated 102 domestic and international applications on essays, transcripts, activities, and recommendations
- Recommended 28 candidates with written comments for a 75-student cohort from 3K applicants (2.5% admit)

Philadelphia, PA

Feb 2025 – Apr 2026

EXTRACURRICULAR ACTIVITIES

Wharton Undergraduate Entrepreneurship Club (WUEC)

Co-President, VC Committee Member

- Organized and led a 26-student NYC VC trek with visits to a16z, Primary Venture Partners, Picus Capital, and M13
- Wrote memos on startups from an 80-applicant competition with Center City Ventures, directing \$25K in capital
- Organized the Imagine.Dev hackathon for 50 participants and designed the project-evaluation criteria used by judges

Philadelphia, PA

Oct 2025 – Present

Management and Technology Innovation Fund (MTIF)

Team Member

- Ran diligence on 9 of 70 Penn startup applicants using standardized scoring frameworks, directing \$15K across 3 investments
- Researched corporate customers and partners for portfolio company Cengage during its partnership with a Fortune 500 company

Philadelphia, PA

Oct 2025 – Present

Moso Capital

Investment Analyst, Comma Capital Team

- Assessed 15 startups on business model, market opportunity, and competitive positioning; advanced 3 to partner review
- Built a pipeline of 21 Penn student founders on a 5-person team, sourcing early-stage deal flow for Comma Capital

Philadelphia, PA

Feb 2026 – Present

Wharton Undergraduate Finance Club & Wharton Hedge Fund Club

Committee Member

- Built equity pitches using industry research, comparable-company analysis, and DCF valuation, presenting investment recommendations to club members

Philadelphia, PA

Oct 2025 – Present

Lemelson-MIT InvenTeams

Named Inventor, 5-Person InvenTeam

- Won a \$7,500 Lemelson-MIT InvenTeam grant to build a mobility-assist device for older adults, sourcing requirements from resident interviews at University Living, StoryPoint, and Saline Senior Center
- Ran 5 prototype iterations; named inventor on U.S. Provisional Patent 63/655,566 and presented at MIT's EurekaFest

Saline, MI

Jul 2023 – Mar 2024
