EXPERIENCE

Arbor Lake Capital | Investment Banking Summer Analyst, Ann Arbor, MI

May 2026 – Present

- Shortlisted 12 of 57 potential buyers for an air-spring maker, screening on revenue >\$500M, EBITDA >\$50M, and product fit
- Built financial profiles on 3 buyers, assessing revenue growth, EBITDA margins, trading multiples, and customer concentration
- Developed court-ready transaction timelines and deal-structure documents for advisory-fee litigation on a \$700M de-SPAC

HoloGlitterPacks | Founder, Ann Arbor, MI

Jul 2020 – Jun 2026

- Founded and ran an online chunky-glitter store, owning sourcing, listings, pricing, fulfillment, service, and marketing; launched made-to-order bundles that cut packaging waste
- Turned a \$50 startup budget into \$65K in net profit across 15K orders, owning pricing, unit costs, margins, and the entire P&L
- Increased conversion from 1.3% to 5.0% and earned 2.5K five-star reviews by A/B testing listings, pricing, and product mix

Management and Technology Innovation Fund (MTIF) | Team Member, Philadelphia, PA

Oct 2025 – Present

- Evaluated 9 of 70 Penn startup applicants via founder interviews and market sizing; 2 reached the 5-company \$3K finalist round
- Produced a ranked corporate-customer outreach list for portfolio company Cengage's Fortune 500 partnership with Cummins

Lemelson-MIT InvenTeams | Named Inventor, 5-Person InvenTeam, Ann Arbor, MI

Jul 2023 – Mar 2024

- Secured a \$7,500 grant to develop a mobility-assist device for older adults and ran research interviews at 3 retirement homes
- Ran 5 rounds of prototypes; named inventor on U.S. Provisional Patent 63/655,566 and presented the device at MIT EurekaFest

EXTRACURRICULARS

Wharton Undergraduate Entrepreneurship Club (WUEC) | Co-President, Philadelphia, PA

Oct 2025 – Present

- Co-leading Penn's largest entrepreneurship organization, overseeing programming, club events, budgets, sponsorships, and recruitment across 5 committees, 150 active members, and a 2,100-person alumni network of founders, operators, and investors
- Ran the 50-person Imagine.Dev hackathon: started event, set the schedule, wrote the scoring rubric, and helped with marketing
- Led a 26-student VC trek to New York and coordinated with investors at a16z, Primary Venture Partners, Picus Capital, and M13

Moso Capital | VC Scout at Comma Capital, Philadelphia, PA

Feb 2026 – Present

- Wrote buy-or-pass memos on 15 pre-seed startups covering founders, market size, and competition; 3 advanced to partner review
- Sourced and tracked 21 Penn-founded startups via campus events, pitch competitions, accelerator cohorts, and alumni referrals

Wharton Undergraduate Finance Club (WUFC) | Committee Member, Philadelphia, PA

Oct 2025 – Present

- Delivered weekly market updates and built DCF, comparable-company, and precedent transaction analyses for investment pitches

Jerome Fisher M&T Summer Institute (M&TSI) | Application Reader, Philadelphia, PA

Feb 2026 – Apr 2026

- Read and scored 102 U.S. and international applications on essay quality, coursework rigor, activities, and recommendations
- Recommended 28 candidates with written comments for the 75-student cohort drawn from 3,000 applicants (2.5% admit rate)
